Activities: ColorStack, NSBE, Phi Beta Sigma Fraternity Inc., Student Government Association, Black Student Association

SKILLS

Languages & Tools: Java, Python, TypeScript, SQL, Next.js, Wireshark, Nmap, Linux, Excel | Risk & Compliance: NIST SP 800-53, vulnerability assessment, CVSS risk scoring, RBAC, secure coding, audit support | Law & Policy: legislative research, policy memos, contract review, Bluebook | CompTIA Security+ (in progress)

PROJECTS

IPguard — IP Risk & Compliance Dashboard **Next.js, TypeScript, USPTO API**

- Built a dashboard tracking risk, compliance, and deadlines for patents, trademarks, copyrights, and trade secrets
- Designed a weighted six-factor risk model rating assets Critical to Low, with live USPTO and case-law search

Independent Vulnerability Assessment Project **Wireshark, OWASP BWA**

- Scanned the OWASP Broken Web Applications VM with Nmap and Wireshark to enumerate exposed services and attack vectors
- Produced a risk assessment package with an executive summary, CVSS severity ratings, and prioritized mitigations

PROFESSIONAL EXPERIENCE

Wells Fargo **Charlotte, NC**

Corporate Risk Intern (Incoming) | June 2027 – August 2027

- Selected for the 2027 Corporate Risk Internship Program through a competitive Change-makers Summit interview process

Congressional Black Caucus Foundation **Washington, DC**

Data Analyst Intern – Congressional Black Caucus | June 2026 – August 2026

- Drafted a memo on the John R. Lewis Voting Rights Advancement Act, briefing congressional staff on compliance and enforcement
- Used data analysis and AI tools to break down dense statutory language into data-driven, actionable recommendations

Phi Beta Sigma Fraternity, Inc. **Winston-Salem, NC**

Digital Software Engineer Intern | January 2026 – June 2026

- Validated 10,000+ database records at 99.8% integrity while administering RBAC for 500+ users with sensitive PII
- Designed and built chapter websites with HTML, CSS, and JavaScript in VS Code, using OpenAI Codex for AI-assisted coding

Wake Forest University School of Business **Winston-Salem, NC**

Digital Data Research Assistant | February 2026 – April 2026

- Evaluated the credibility and authenticity of social media content, assessing information-integrity risk in user-generated data
- Researched digital ownership, online privacy, and technology policy

SoSSt **Charlotte, NC**

Data Analyst Intern | June 2024 – August 2024

- Audited 10+ financial transaction interfaces, applying secure coding practices that cut vulnerability exposure by 30%
- Identified 8+ front-end vulnerabilities and supported remediation, reducing application security risk by 35%

Messer Financial **Charlotte, NC**

IT Systems & Help Desk Intern | June 2023 – August 2023

- Resolved 200+ support tickets at a 95% first-contact resolution rate; administered least-privilege access controls for 300+ users

LEADERSHIP EXPERIENCE

Wake Forest Undergraduate Law Review **Winston-Salem, NC**

Associate Editor & Web Developer | June 2026 – Present

- Review legal scholarship for Bluebook citation accuracy and doctrinal soundness; production lead for the Fall 2026 issue

Phi Beta Sigma Fraternity, Inc. **Winston-Salem, NC**

Parliamentarian | December 2025 – Present

- Enforce governance under Robert's Rules of Order across 53 service events, 1,400 members, and 12 affiliated organizations

Residence Life and Housing **Winston-Salem, NC**

Resident Advisor | August 2024 – Present

- Manage crisis response and incident reporting under privacy and institutional compliance standards
